Be the voice of the mining hub

Dear Sir or Madam, dear customers and partners,

from 19 to 20 May 2022 the long-running MiningForum event will enter its 16th round in the metropolis of Berlin again.

Once again the industry's experts, specialists and decision-makers can expect to find a whole range of exciting topics relevant to the mining and natural resources sector.

Be a part of the Mining Forum 2022 – we invite you to submit your papers.

We are looking for interested speakers in the field of industry, research, education or politics, who would like to present their topics and projects at the well established MiningForum.

In 2022 the focus will be on the following national and international topics, e.g.:

- Future Mining
- Digitalization
- Mine Closure/Post Mining
- Certification
- Sustainability
- Ground Control/Monitoring
- Investments
- Exploration
- Radioactive Waste Disposal
- Mine Water
- Transport & Hoisting

NEW! Early Birds arriving on Wednesday, 18th of May, will already have the chance to participate in several workshops. Additionally to this, we offer Panel Discussions on the last conference day, 20th of May.

Workshop/Discussion Topics:

- Specific country topics (Australia and Chile planned)
- Certification of raw materials
- Post Mining activities & Monitoring

We offer our speakers special benefits:

- Discounted conference fee
- 10 % discount on exhibition packages

We look forward to receiving your submission and to your contribution! If you have any questions, do not hesitate to get in touch.
