

15th MiningForum – 27. & 28.06.2019, Estrel Berlin

Exhibition & Presentation

MiningForum – The international mining hub

Our successful event will continue with the 15th MiningForum, to be held on 28th and 29th June 2019 at the Estrel Congress & Exhibition Centre in Berlin, where the open and bright foyer of the Estrel Halls will create a modern and impressive backdrop for the exhibition.

In the tradition of the MiningForum, we expect outstanding experts and top decision-makers of the mining industry to attend, as well as specialists, operators, (public) institutions and service providers – all in this exclusive setting. National and international presentations by well-known speakers will offer a 360-degree perspective of the topic of mining and natural resources.

Take this opportunity to present your company and your business activities in these high-class surroundings.

Following on from the last conference with more than 350 participants and 30 exhibitors, the MiningForum offers excellent contacts and profitable dialogues in an appealing atmosphere – the optimal framework for targeted communication and first-class networking. With media representatives of mining and natural resources publications also attending, you can be sure that content from the event will be published in the relevant channels.

The exclusive exhibition and presentation possibilities within this increasingly international symposium enable you to present your company directly to your target-group and promote sales in the best possible way.

- Established conference since 1991
- Symbiosis of traditional and future-oriented topics
- Highly regarded
- International focus, Information-Hub in Europe
- Target-group-specific communication
- Contact forum for top-class experts and managers
- Exclusive ambience
- Intensive promotion/communication before and during the event
- Close contact to all participants – Networking during breaks as well as at the miner's social evening

Exclusive presentation

You would like to stand out from the crowd? We also offer exclusive, limited and individual options:

■ Lanyard – Non-stop exposure

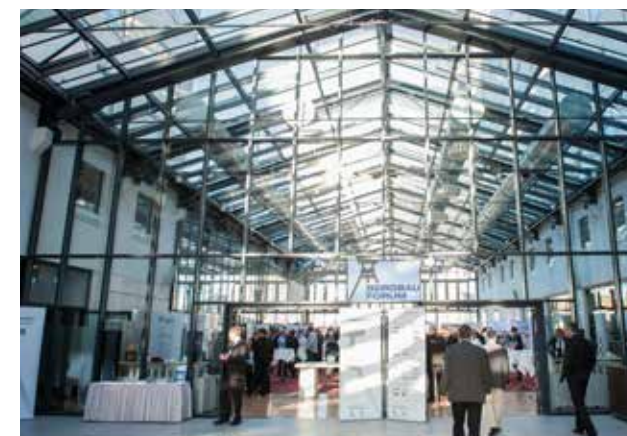

Every participant receives a lanyard that indicates access authorisation. The lanyard is to be worn at all times. Placing your logo on the lanyard allows you to accompany the participant every step of the way.

■ Evening event – Be seen and heard at the summit meeting

Participants in the MiningForum will meet on Thursday evening for a miners' social evening in an exclusive ambiance. This offer allows you to showcase your company among other top companies at the MiningForum. An announcement in the newsletter and on the event homepage will appear in advance of the event.

■ Coffee breaks and/or lunch sponsoring – At the top table

Besides the exhibition, all of the coffee breaks and lunches will also be held in the prestigious setting of the foyer at Estrel Berlin. This top offer guarantees that you will be the word on everyone's lips.
